Asalamu-Alaikum/greetings of peace!

Muslim Children's Books are here to inspire a love for Allah in children. Everything we create, is to fill children's hearts with a deep love and understanding of Allah and his Deen Insha Allah. A quick browse through the catalogue will show you that we do this through vibrant illustrations, quirky and careful child-friendly words, and a sprinkle of humour.

We have enjoyed a very exciting first year of publishing. We have received an overwhelming amount of warm, positive feedback from parents, educators and children. We have reached out to the community with free Islamic resources and joined in partnership with charities. Alhamdulillah, we have made sales across the globe and visited schools and madrassahs within the UK.

We've loved working on our new titles for 2017, which readers will find, have been lovingly put together with the children in mind. We couldn't have brought you these titles without the wonderful illustrators and other collaborators who have worked with us to produce them; we feel very lucky to have worked with such talented individuals, whose sincerity and support for our vision have been truly heart-warming.

We hope to continue to publish great Islamic children's books that truly speak to children of today. To do this, we need you and all the love and support you have continued to give us. Jazak Allah Khair for buying our books for your shop, library, school or to share with a child.

Thank you!

Omar is a kid with a huge imagination. He knows a thing or two about getting through life as a nine year old Muslim in Britain. When Omar's life is turned upside down as the family move home, his imagination goes into overactive mode. He attempts to apply the Islamic teachings his family have equipped him with, to his now very challenging life, with entertaining results!

The story unfolds with comic craziness as Omar learns to get comfortable with both his British, and Muslim heritage.
